25 October 2018

Dear Parent/Guardian

Our school will be continuing to operate the Student Resource Scheme (SRS) in 2019, which was approved at a Parents and Citizens (P&C) Association Meeting on 1 August 2018.

The purpose of the scheme is to provide parents/carers with a cost effective alternative to purchasing resources and consumables elsewhere, through reduced prices gained from the school's bulk purchasing practices. Parents/carers are directly responsible for resources for their children while attending school. In recognition that these costs can be high, the school operates a SRS that enables a parent/carer to enter into an agreement with the school that, for a specified annual participation fee, provides for the temporary use by the student of resources, and/or the purchase of consumables and materials for the student.

By participating in this scheme, you are helping to reduce the cost of materials and it assists parents in not having to source these items. However, if you do not wish to join the SRS, please be aware that you will be required to provide all the items required to enable your child to engage with the curriculum.

**How to join:** Please sign and return the attached Participation Agreement Form, nominating your intent to join the PREP SRS by **23 November 2018**. Please also sign and return the form indicating if you do not wish to join the Scheme.

**How to Pay:** Families can pay the full amount or make instalments. We require full payment or the first instalment of \$100 by **Friday 30 November 2018** (which allows access to the Mathletics program). Details are on the participation agreement form. Refer attached for payment methods and options.

**Additional costs outside of the SRS:** As indicated on the attached, additional costs will be separately charged outside of the SRS. This will include excursions and incursions.

If you have further enquiries regarding the above, please contact the school office administration staff. Thank you in anticipation of your contribution towards this worthwhile scheme.

Yours faithfully

Neil Jenkins  
Principal

### 2019 PREP STUDENT RESOURCE SCHEME FEE: \$200.00 per student

Every effort has been made to contain costs to parents while ensuring that adequate resources are available for student use. The Student Resource Scheme represents excellent value and provides substantial savings to parents of students. For instance, the scheme provides students with access to hundreds of reference books alone, valued at approximately \$10-\$15 per book. There are other significant savings to parents as the scheme provides many more resources in addition to books.
